CERTIFICATE OF ART

Since 2012 *the ART DEPARTMENT at* **EDGEWOOD COLLEGE** has been housed in a beautiful 44,000 -square-foot, LEED Gold certified, and award winning visual and theatre arts center known as The Stream. The Art Department curriculum offers a dynamic combination of highly relevant coursework that prepares you for a career and advanced study in the visual arts while developing your technical and creative capacities. Our commitment to diversity and inclusion fosters engaging classroom and studio experiences. You'll benefit from small classes held in our state-of-the-art facilities and receive individual mentoring by exceptional faculty.

The Art Department facilitates internships, field experiences, interdisciplinary study, exhibition, and study abroad opportunities. Community engagement through partnerships, project collaboration, and faculty initiatives in the diverse and lively setting of Madison involve students directly in experiencing and shaping the art and culture in the state of Wisconsin.

Graduates of our Art Department are regularly accepted into graduate programs in their fields and are working as studio artists, art teachers, art therapists, graphic designers, web developers, UI/UX designers, photographers, and gallery directors in the Upper Midwest and throughout the United States.

Please visit WWW.EDGEWOOD.EDU/ART for deadlines and more information.

EDGEWOOD COLLEGE GALLERY

Edgewood College Gallery provides contemporary, accessible, and high-quality educational programming immersed in visual arts and culture. Individual and group exhibitions respond to the expansive nature of contemporary communities by providing a bridge between artists, academic specialists, student learning, and community arts engagement. Exhibitions receptions, artist talks and lectures, visiting artist workshops, artist panels and symposia, and faculty colloquiums provide numerous opportunities for dialogue and exchanging ideas between exhibiting artists, the campus community, and the public.
